

We've been
BOO'ED

You've been
BOO'ED

It's October, the spookiest time of year, and these donuts were left to bring you some cheer.

Now help others get in the Halloween mood, because nothing's more fun than being BOO'ED!

Get your favorite box of donut treats, and surprise a neighbor with something yummy to eat!

Keep the box closed so germs don't spread, and get excited for the spooky days ahead!

Hang your "BOO'ED" sign where it can be seen, and leave it there until Halloween!
